

The ECC - nextbike partnership

Enterprise Car Club and nextbike are forging a partnership where members of one can join the other at a discounted rate. We have come together in this as we each champion sustainable mobility. We know that the shared mobility services we provide reduce emissions, improve localised air quality and reduce congestions. By collaborating, we hope our members will find it easier to make multimodal journeys leaving the greenest footprint (or tyre print) they can.

The ECC Member Offer for nextbike Members

Nextbike Members new to Enterprise Car Club can join for half price and £20 driving credit*.

Simply go to our [locations page](#), find where you live and as you enroll, enter the relevant promotional code below. Terms and conditional apply.

To get your code, write us an email at info@nextbike.co.uk with the subject line “**ECC Partnership Voucher**” and include your **name** and **nextbike account phone number** in the email. Once your active nextbike account is verified, you'll get your Enterprise Car Club voucher within 3 days!

Offer Terms and Conditions:

*This offer entitles you to receive one year's half price annual membership in England and Wales (usually £60/yr) and in Scotland and N.Ireland (usually £20/yr) plus £20 free driving credit. The driving credit is valid for 90 days, applied once the application is approved. Offer valid for nextbike members new to Enterprise Car Club, joining the Standard plan until 1/5/2023. For full terms and conditions, please visit www.enterprisecarclub.co.uk/tc1. ©2022 Enterprise Car Club.

To be eligible to receive the voucher from nextbike, nextbike customers must be active riders. This is defined as having your nextbike account fully registered with a confirmed valid payment method entered in the app.

An intro to ECC

Rent vehicles by the hour or day with Enterprise Car Club from £3.23/hr⁺. Use the app to book and unlock cars/vans located on residential streets, at train stations, in car parks or at Enterprise Rent-A-Car branches right across the UK.

The UK's largest Car Club

With 1,400+ vehicles spread across more towns and cities than any other car club, you can pick up wheels in the Highlands of Scotland, right through to the lowlands of Cornwall, with countless towns and cities in between. So, whether you're a local or a visitor, your one membership unlocks cars and vans wherever you are.

Rent by the hour or day 24/7

Only need a car overnight? Have a 30-minute errand to run? Or want to return late on a Sunday evening? With Enterprise Car Club you can book, unlock and end your rental using our [top-rated app](#), at whatever time of the day/night that suits you. Bookings can be made at a moment's notice or well in advance. Not only is this more convenient, but it means you only pay for the vehicle when you need it, not when you don't.

Access a vehicle from a street near you

Yes, some of the Enterprise Car Club vehicles are found at Enterprise Rent-A-Car branches, but the majority are located on residential streets, in public car parks, at train/bus stations or even outside ferry terminals – not only making them super convenient, but also helping you sync your journey with other modes of travel.

Insurance and fuel costs are all included

Membership includes fuel, servicing, MOTs, breakdown cover, insurance and cleaning. When renting a vehicle, you simply pay for the rental period and a small per mile charge. There's no deposit and to give you peace of mind, our price guarantee means your rental costs are capped at the daily rental charge.

Super easy to book, unlock and go!

Once a member, use the [desktop](#) or mobile app to search for available vehicles and make your booking. To unlock your vehicle, simply hover your contactless card over the windscreen pad or unlock via the app. Then enter your PIN into the glovebox pin-pad to retrieve the keys. Then off you go! At the end of your reservation, you simply return the vehicle to its designated parking space and close the booking via the app or by again scanning your contactless card.

†Based on a UK 24hour rental average on the standard plan as at 01/05/2022, excl per mile charge
