

You have to consider this notes to use the nextbikes of this pilot project.

## Important notes

---

### General information

- This is a pilot project with a duration until Monday September 30th, 2019.
- The bike sharing will be free of charge and participation voluntary.
- You have to be an employee based in Walldorf.
- The use of the bikes of this project is only permitted for business use. Private use is excluded.
- The use is only allowed in the industrial area of Walldorf and on the way to the Park & Ride car par at the cart track and Festplatz Malschenberg.
- Entering your private payment details is optional and only needed when you want to rent bikes privately at other locations (not the pilot bikes).

### Your user account

- You sign up with your mobile phone number and your full name and SAP email address [here](#). Only the fields marked with \* need to be filled out (please see. You have not to fill attached picture)
- You are responsible for all activities that occur under your account. Do not share your password with others.
- It is not permitted to leave the bike to a third party. If you unlock the bike with your account, you have to lock it again with your account or close the lock by pressing down the lever before another participant can use the bike.

### The use of the bicycle

- We recommend that you wear a bicycle helmet while driving. This is for your own safety.
- The bicycle should only be parked at the official stations. You can see all stations attached.

### Handling

- The use of bikes is only allowed in the industrial area of Walldorf and on the way to Park and Ride car park at the cart track and Festplatz Malschenberg.
- Incorrect conduct incurs additional costs for SAP. These costs should be avoided to avoid risking the pilot project.

### Safety

- In completing the registration, you agree to the [Safety requirements](#) for the pilot. You can find the checklist for safe cycling attached.
- Further traffic safety information can be found in the SAP [Safety Toolbox](#) Jam.
- If an accident happens, please call +49 6227 7 42 400

Order with obligation to pay  
What does that mean?  
Don't worry, the registration is free of charge. We are legally obligated to use this wording. Only when buying a tariff or renting your first bike the order will be "with obligation to pay". Customers and employees of participating companies and colleges ride for free for a specified time. Usage beyond that time is also liable to pay.
